

Jason Bird Testimonials

1. Jason was terrific! We had a group of about 30 people at a client dinner, and Jason did roaming tricks prior to dinner then a 30-minute show following dinner. He was also very accommodating, as it took the restaurant a long time to serve the dinner after we placed our orders. I highly recommend using Jason for your next event. You'll be glad you did!
2. Jason is a very talented illusionist with a professional team who ensured we received an outstanding, clean, entertaining show. Leading up to the event, his assistant was in regular contact with us to get an idea of what we wanted as well as understand what we could support at our venue. On the day of the show, a small team ran through a technical rehearsal to ensure all audio and visual systems were working correctly. All came together resulting in a mind-boggling show that entertained between 100-150 attendees. Thank you!
3. Jason was excellent! He was communicative and arrived on time. Our guests were running out of the room amazed at his talents! Highly recommend!
4. I hired Jason to perform at our booth at a tech conference and he exceeded our expectations. He was professional and very personable with all of our clients. His card tricks were excellent and his interaction with the guests made him the perfect choice. Everyone had a great time and I would hire him again in a heartbeat!
5. We hired Jason for our corporate event for a product launch kick off in Vegas. We LOVED him! Interactive with crowd, very funny and witty, had a trick that the entire audience can participate in and he included a magic trick with one of our products! Very professional and a great time, highly recommend ! :)
6. Jason impressed the guests with his performance and was able to tailor his performance to our theme and adjust to issues that came up to continue with a very professional and fun show. I would recommend him to anyone looking for a talented magician.
7. Jason did such a great job and his performance was the perfect start to our company meeting. I arranged this at the last minute he was more than accommodating and willing to come in for an early morning start on a Monday morning. He performed his

tricks and tied them in perfectly to our meeting themes. And he stunned us all with his collaborative card trick. We would definitely hire him again!

8. Jason was mind blowing! He is the very best magician and a delightful person. I hired him to wander amongst the guests and entertain them with close up magic, and he did!! They were beyond amazed. His illusions are startling and unique, his personality is so friendly, he was the perfect guest at the party. When asked him to stay longer he was able to accommodate the hosts. You have to hire Jason for your next event, you're missing out if you don't.
9. I needed an entertainer that could work the room, mingling with small groups without upsetting the networking between my clients. Jason was amazing he met with everyone performing his sleight of hand tricks flawlessly. This is the second year that I worked with him and I will hire him next year! Jason is an all around very nice person and a GREAT magician!
10. Jason Bird was perfect for my Mother's Birthday Party. We had a wide range of ages of our guests from kids to grandparents and he was fantastic with everyone. His performance was flawless and he was very entertaining. Great Personality. I would HIGHLY recommend Jason to anyone thinking of hiring a magician for a small or large event. We had a Birthday party for about 30 people and our original plan was to have him walk around and do some magic by each small group. We ended up with all 30 of us around the Fire pit in the back yard and he asked me if he could change it up and just do one large show for over 45 minutes!!! He was incredible!!!
11. JASON IS THE BEST! Booked him for a mix and mingle event at the High Roller in LV - such a success. Highly Recommend! Great personality, sense of humor and of course mind blowing magic! Thank you Jason for supporting us and our event. We hope to be back in LV!
12. Jason was AMAZING! We were looking to book a closeup magician for our three corporate events in Las Vegas, as an ice breaker and entertainment for our guests. Coming from out of town, its nearly impossible to know what you may get. I would not hesitate to recommend Jason, and he exceeded all expectations! His magic was literally mind blowing! His personality was engaging, and he added just the right amount of humor to the room. A gifted magician, his tricks were the talk of the show! He was reliable, and arrived early, as well as exceptional support from his office, on booking. We would not hesitate to book him for future events.
13. Jason was very entertaining and very easy to work with. Still in awe over some of his tricks!
14. I hired Jason to come to our penthouse to entertain our guests during a pregame party. Our guests were amazed. He was loved by everyone as we wandered around to

entertain guests. Highly recommended! Honestly- he should be charging more... he's wonderful!

- 15.** Jason was all Class. Nothing was a problem, he captured the audience and engaged with everyone. I wouldn't think twice about hiring him again. A true gentleman and a fantastic entertainer.
- 16.** Jason Bird is the magician I've been wanting for years! We invited him to perform an intimate show for our VIPs. Instantly, he connected with everyone - charming, likable, polished, funny, charismatic. We couldn't wait to learn what was going to happen next. I've never seen magic like his. No one had. He made us laugh a fair bit of the time, but he also brought everyone a fair amount of goosebumps and chills. So cool. Not one thing he performed have we seen before. Book him while you still can- it actually took us awhile to find a date he was available. But totally worth it. His close up magic and big cinematic illusions are unforgettable.
- 17.** I asked my wife to marry me with Jason's unparalleled magic, a ring that appears from nowhere, that I must say is fantastic! He worked with me as we had planned to have this set up as a street performance. It started to rain! at no extra cost he jumped into plan B and started helping me find a second area that was indoors. This was not only a magical moment (figuratively and literally) for myself, and my wife, but a magical experience for my family and for the passers by who got an awesome free show. Jason is a true showman and a talented individual, if you're thinking of using him for an event, stop thinking, just do it! You will not be disappointed! AMAZING!
- 18.** He was the HIT of my wedding party. The feed back I got from Guests made me feel super cool for booking him. And his magic and sleight of hand is out of this world. Better than any magic show I have ever seen. These aren't your normal pull your card from the deck magic tricks, they are mind blowing. You will not regret having him. If you can still get him. I heard he was picked up from one of the major hotel on the strip. So if he's still available, book him now before it's too late. Oh and the chicks at the party went Gaga over him, so there is that too. Hahahah.
- 19.** I hired Jason to entertain our group on The High Roller as part of my husband's 40th birthday celebration. Jason was professional, fun, and totally awesome! His tricks were blowing our mind! We absolutely had a blast and would definitely hire Jason again! I highly recommend anyone to book him; you won't be disappointed!
- 20.** HANDS DOWN THE BEST DECISION MADE TO HIRE JASON!!!! If i could give TEN STARS we would! He gave us the best memory of our 17th Wedding Anniversary along with all of our guests who gasp, wowed, mesmerized and astounded by his performances! He was prompt, professional, communicative (before & during event) His assistant in the office, Tiffany, was just as helpful answering my questions and they BOTH genuinely cared to make sure my evening was PERFECT which it was. I would HIGHLY

RECOMMEND Jason for any event whether it be big or small like ours. Thank you again for such a special evening!

22. Couldn't be happier with our decision to hire Jason for our event. He worked our event which spanned two different locations and many moving parts like a true pro. Unbelievably talented, personable, and a heck of a nice guy. Our guests didn't want him to leave when the time came. No doubt in my mind that this guy is gonna be a huge star - glad I booked him when I can still afford him lol. Thanks again, Jason!

Thanks again! // Signed// Dylan Parker, Capt, USAF Breech AFB, NV
28. An overwhelmingly awesome experience. Jason helped me propose to my girlfriend at the Peppermill diner yesterday with an "impromptu" table-side magic show. He made her think he was part of the staff and she bought it the whole time. His tricks were jaw dropping. The final one had him turning a coin into an engagement ring, and she was utterly surprised and floored. Jason was so accommodating, and way cooler than you'd expect someone with his immense talent to be. 5 stars all around. If you're on the fence about booking Jason, you are crazy. Book him now! Thank you Jason for creating such a special moment that we'll never forget!
